DO YOU KNOW?

The Bermuda Triangle is one of the greatest unsolved mysterious spots in the world. It is a triangular shaped area in the North Atlantic Ocean. Hundreds of people and numerous boats, ships and planes have disappeared inside this triangle. The reason for these disappearances still remains a mystery.

Section - III

Read this section carefully.

Usha's heart was in her mouth. She had seen, without a shadow of a doubt, two ghostly creatures at the other side of the room, and she wasn't going to remain in that ruined building a minute longer.

She ran out of her corner, ran towards the big gap in the wall through which she had entered. She was halfway across the open space when something – someone – fell against her. She **stumbled**, got up and again bumped into something. She gave a frightened scream. Someone else screamed. And then there was a shout, a boy's shout, and Usha instantly recognized the voice.
